

STC Commissioner Responsibilities

It is the expectation that the Commissioner of any league:

- 1) Attend Coaches clinic(s) for his/her league in particular. Help distribute uniforms and equipment, if available, at that point in time.
- 2) Be knowledgeable in the rules of his/her respective league.
- 3) Inventory Field boxes of respective league for any items needed or that need to be replaced.
- 4) Correspondence with particular leagues coaches concerning any game scheduling incidences.
- 5) Coordinate scheduling of rainout games/field locations between coaches of the teams and league master scheduler.
- 6) To be available and help assist in any scheduled clinics/playups/evaluations/tryouts at his or her respective league.
- 7) Attend any organizational scheduled commissioner meeting(s). Advanced notice will be given.
- 8) Communicate to grounds crew if any special preparation needs to be done on commissioner's representative fields.
- 9) Be prepared to discuss and handle rule disputes with coaches and or parents.
- 10) Select managers/coaches for teams within their representative league that are lacking coaches.
